CARE INSTRUCTIONS

EASEL MIRROR

Please make sure to use the correct dowels and screws to mount the mirror correctly to the wall.

Please do not use any chemicals to clean the steel.
Wipe the steel clean using a damp cloth.

Be aware that sharp objects may damage the surface of the mirror or scratch the steel frame.

Please arrange the mirror carefully to prevent scratches on the wall.

The mirror is not made to carry any additional weight.

–

All our products are made from genuine and long-lasting materials. Please follow this care instruction and treat and maintain your new item accordingly.

All products are designed in Copenhagen and produced within the European Union.
