CARE INSTRUCTIONS

JAPANESE WOOD BOARD

Please be aware that wood is a living material changing imperceptibly over time. All wood reacts to sunlight, humidity, temperature and can vary slightly in grain pattern and coloration.

Please use only warm soap water when cleaning and dry immediately with a soft cloth. Be aware that the product is not suitable for the dishwasher.

The solid oak board is treated with food-safe oil, please renew the oil treatment when the surface begins to dry out.

—

All our products are made from genuine and long-lasting materials. Please follow this care instruction and treat and maintain your new item accordingly.

All products are designed in Copenhagen and produced within the European Union.
